

INVITATION TO THE LAUNCH & FORUM OF E-PUBLICATION **ENCOMPASSING THE FUTURE**

Offshore Oil & Gas Operations
Environment, Health & Safety
Performance Management

King's College, University of Aberdeen

Thursday 3 August 2017

Registration: 07.45 - 08.30

Launch : 08.30 - 10.00

Forum: 10.00 - 16.30

It gives us much pleasure to invite you to the Launch and Forum of **ENCOMPASSING THE FUTURE**, a major e-resource which will transfer 40 years of inter-disciplinary knowledge and experience to the next generation.

ENCOMPASSING THE FUTURE is a knowledge resource that will be fundamental to both the Oil and Gas industry, Regulators and Universities in the face of challenges ranging from oil price volatility, technological innovation, and loss of key personnel.

This e-publication distils, records and develops intellectual and operational expertise and provides a platform for educational programmes / modules.

Sir Ian Diamond
Vice Chancellor of the
University of Aberdeen
